

## SCHOOL OF EXERCISE AND NUTRITION SCIENCES

### 2017 Application for funding support (Research dissemination)

#### **Background**

SENS has a limited budget in 2017 to support research dissemination. All funding applications will be subject to review and only publications in credible and appropriate journals or conferences will be supported. All applications will be reviewed by the Head of School or Associate Head of School - Research. Funding requests will not be automatically granted and request for funding should be made prior to final acceptance of a manuscript or poster presentation.

#### **Please attach**

1. Submitted manuscript or abstract.
2. Letter or evidence of acceptance.

#### **Please complete**

Name of School of Exercise and Nutrition Staff and students authors: **Dr Jacqueline Tran, Mr Ryan Letter**

Provide details of the Journal or Conference: **2017 Sports Medicine Australia Conference**

#### **Journal Articles**

For Journal articles – please provide evidence for why this Journal represents an appropriate or quality submission [eg. ERA ranking, impact factor, ranking of journal in your discipline area].
